BIOGRAPHY

Dimitris Katsamas, known professionally as Vagson, is a Greek DJ, music producer, and sound engineer. Growing up in Thessaloniki, he started as a sound engineer for local bands and new coming artists. He recorded and produced many singles and three studio albums. He also teaches music production lessons on the DAW Ableton Live. He pursued a solo career at the age of twenty-seven and began his first residency as a DJ in Cyprus in late 2021.

RESIDENCY

St. Georgios VIP Boat (CY)
